

Bateman/Per Ardua Competitions 2011/12

I am writing to you with the details of this years Bateman/ Per Ardua competitions.

As you know the competition is split - with teams from The Prem Division, Division 1 Blue and Division 1 Red participating in the Bateman Shield, and teams from Divisions 2, 3, 4, and 5 participating in the Per Ardua Plate.

The first 2 rounds are "play by" dates. This gives teams the flexibility to mutually arrange fixtures on a date to suit both teams, with the possibility of freeing up a Saturday.

The first "play by" date is Saturday 15th October.

NB If you cannot agree on a date the play by date must be used.

The Quarter Finals, Semi Finals and Finals are fixed dates in the netball calendar. These games will be played at central venue and neutral umpires will be provided (see Rule 5) All dates can be found on the calendar on the GCNA website and are also listed below.

Your league entry includes entry into the Bateman or Per Ardua. However, there is an "Opt Out" system, where if your team does not want to participate in either the Bateman or Per Ardua, you have the opportunity to Opt Out of the competition AHEAD of the first round draw.

NB - In order to opt out, you must email me at bateman@glos-netball.org.uk by Saturday 17th September so that I ensure your team is removed from the competition.

If you do not do this, and you subsequently want to withdraw, you will be liable for any court costs incurred. If you are withdrawing a team, you must provide me with a list of 7 players who will not be able to participate for your Club in the competition (see rule 3).

I hope as many of you will enter to make both competitions as exciting as possible.

Mary Pope

Bateman Secretary
