MEDIC ALERT BRACELETS

Prior to 2001 the International Federation did not have a directive on Medic Alert Bracelets England Netball gave the following directive

‘The priority must be the safety of all participants. Only a medic alert bracelet may be worn during netball matches. The bracelet must be secured in such a manner that it will not constitute a danger to an opponent i.e. clear tape, suitably taped to ensure that it cannot be removed / lifted off by any accidental contact’

In 2001 the International Federation agreed to include the following into the Official Netball Rules

Rule 1.4.3 NO item of jewellery except a wedding ring, and / or medical alert bracelet, shall be worn. If either or both are worn, each shall be taped.
