

# Net 10 for Life

6<sup>th</sup> - 12<sup>th</sup> February '12

*Net 10 for Life* is Netball South West's new initiative, demonstrating our commitment to England Netball's charity partnership with Cancer Research UK!

Every league and team in the South West Region is invited to take part in this exciting fundraising initiative to help raise thousands of pounds for this incredible charity. All we ask is that for one week this year we all pull together to support and cooperate in what will be a fantastic team effort!

## What does *Net 10 for Life* involve?

Week beginning 6<sup>th</sup> February is *Net 10 for Life* week and all matches played during this week will help contribute to the fundraising. Each team pledges to donate 10p per goal scored in their weekly fixture. So for example;

**Pink Ladies Netball Club 45 (£4.50) v Western Park Ladies 33 (£3.30)**

Total pledge from each team = **£7.80**

Umpires are also encouraged to get involved, by swapping their whites for some pinks, and rounding any donations up to the nearest pound. At the end of the match, a willing volunteer needs to collect up the pledges and donate them online at the Netball South West Just Giving Page

*And it is as simple as that! Thank you and good luck!*
