Gloucestershire Netball Summer League 2022

Important Information – St Peter's School

Below are some important things to note whilst on site:

Fire Procedure

On discovering a fire

- Sound the alarm.
- Evacuate via the nearest fire exit (one entrance/exit to outdoor courts)
- Members of the public, using outdoor facilities, are to remain outside and go to the assemble point (located in the lower car park at the bottom of courts)
- Do not re-enter the buildings to collect belongings or access the front car park until the all clear is given.
- Do not re-enter the premises until instructed after the emergency is over.

Accident / First Aid

Please ensure you have a first aid kit with you as the sports centre may be unstaffed at times. It is advisable that someone within your party is experience in first aid. Should you require emergency services please contact them directly yourself.

Parking

Enter the school gates and turn right, follow the one way system down the hill which will open out into a large car park.

Toilets

If you follow the one way system up from the bottom of the car park, toilets are available within the building on the right hand side just before you reach the courts (thought the double doors on the left hand side just outside the sports hall)
