LEAGUE RULES 2022/23

Issued 20/09/22

3 points awarded to each team for a draw.

2 points awarded to the team losing by less than 5 goals.

1 point awarded to the losing team if their score is more than 50% of the opponent's goals.

0 points awarded for a loss of 50% or less of the opponent's score.

-3 points for a team conceding a match.

0 to -5 points for an infringement of a League Rule. The Adult Working Group will apply a penalty which is proportionate to the rule break.

Where an infringement of a League Rule occurs which directly impacts the result of the game, the result of that particular game shall be null and void and any points awarded to either team, in respect of that particular game, will be taken away. Points as detailed above will then be awarded.

b) Treatment of points/goals for conceded games:

Points will be awarded as detailed above. At the end of the season goals will be awarded, based on the season, as follows:

Goals (for and against) will be calculated to establish the average for this team for the season. e.g. a team having 420 goals for and 189 goals against from all played matches will have:

a goal average for of 52.5 (*rounded up to 53*)

a goal average against of 23.6 (*rounded up to 24*)

These two averages will be added to the existing goals to give a total for the season of 473 goals for and 213 goals against.

The column (C2) in the divisional table shows how many matches have been conceded in that half of the season, i.e. goals yet to be calculated.

C. TEAMS

1. Clubs with multiple teams in the same division must list their teams in priority order and appoint named players accordingly. (e.g. Gloucester Flyers A = 1st Team, Gloucester Flyers B = 2nd Team).

 3. Any unnamed players that have played 16 or more quarters for a particular team may then only play one team below. (e.g. if an unnamed player in the 2nd team is selected to play for the 1st team for 16 or more quarters, they cannot subsequently play for the 3rd team that season). If this player is also a member of another Club (i.e. a secondary Club), they can only play 'down' as low as that for their primary Club.
